

Road to Hope Community Support Foundation:

THANK YOU

Road to Hope is making a difference in our community!

My name is Gloria Kent. I was diagnosed with cancer Sept. 2009. Like many, you're not ready to hear the diagnosis, no matter how much you mentally try to prepare yourself. In an instant your life and your family is totally changed. Being new to the community I didn't know anyone and my husband works away at camp. We literally did not know what to do.

Then I contacted a friend who knew of Road to Hope. They immediately set me up with transportation, several times. There was never a charge for me for anything!

I would like to take this opportunity to thank Road to Hope for all their efforts and always going the extra mile, not just for me. Also, I wish to thank all of the volunteers who did give me rides and the personal sacrifices that each of you made on my behalf. I enjoyed the rides to Edmonton getting to know each of you.

Finally I wish to thank my husband Ed, and Damon & Marshal Kent – thanks to each of you for giving me a reason to WIN! I am also happy to report that my June 2010 biopsy indicates cancer is in remission. Jesus is still on the throne and prayer still changes things!

I encourage all of you to support Road to Hope in any way you can. If you have a story, please share it with us.

Thanks again – Gloria.
